Jedda as a deck passenger and travels on a camel in the Hejaz would be approximately Rs. 600 if he sails from Bombay, Rs. 595 if he sails from Karachi and Rs 655 if he sails from Calcutta. Substantial additions to these figures will also be necessary if the pilgrim chooses to adopt more comfortable means of locomotion and a higher standard of living. The minimum cost of pilgrimage from Bombay last year was estimated at Rs. 585. The estimate has undergone a slight increase this year owing to an appreciation in the price of gold in terms of sterling which produces a corresponding increase in the items of Sa'udi tariff, as the latter are fixed in terms of gold. As the estimated minimum cost would prove insufficient, should there be a further rise in the value of gold, it is suggested that no pilgrim, not even the hardiest and poorest, should start on the pilgrimage unless he has provided himself with at least Rs. 615. In the case of a pilgrim travelling second class on board the ship and in a motor bus in the Hejaz, the cost is estimated to be about Rs. 1,220 in the case of pilgrims sailing from Bombay, Rs 1,200 in the case of those sailing from Karachi and Rs. 1,295 in the case of those sailing from Calcutta. If the pilgrim travels first class on the ship and uses a touring motor car for journeys in the Hejaz, the expenditure would be approximately Rs. 1,795, Rs. 1,770 or Rs. 1,870 according as he sails from Bombay, Karachi or Calcutta.
